

## PLASTIC MILK BOTTLE TOPS

The junior PTA is supporting Southampton Hospital's eye unit's 'Gift of Sight' appeal by collecting any colour of plastic milk bottle tops.

The unit's Professor, Andrew Lotery, established the 'Gift of Sight' appeal in 2004. It is to raise funds for the hospital's research into the prevention and treatment of blindness. Especially the ongoing research into Age Related Macular Degeneration, Nystagmus and Glaucoma.

For further appeal information view [www.giftofsight.org.uk](http://www.giftofsight.org.uk)

### Please Help

If you would like to support this appeal, please bring the clean milk bottle tops to the school office where there is a container for their collection.
