School Nurse at 'Look Around'

The School Nurses will be in school on Monday 30th January during the 'Look Around' session, for any parents who would like to have a chat about Head Lice. If you have any queries and wish to speak confidentially to a nurse they will be available from 3pm onwards.

LOST PROPERTY—URGENT!

The bin is already overflowing with a huge number of coats, PE kits and uniform. Could parents please come in and have a look through. Any unclaimed items will be disposed of at a charity shop at half term.

Thanks

Cookery Club—Olympic Cookery Book

As part of our celebrations for the London 2012 Olympics, Cookery Club would like to invite you to share 'Our Favourite Recipes' from the children, families, teachers and support staff.

These recipes have all been tried and tested and are fun to make. Some are low in fat and calorie counted and some are naughty, but nice! There are even some from other Countries.

This book is being sold in aid of the RDA (The Riding for the Disabled Association) and the cost is £4.00 each. All orders welcome (a copy is available to view in the school office).

Riding for the Disabled—has been delivering opportunities for therapy, achievement and enjoyment to people with disabilities for over 40 years.

Sending Payments to School

Could parents please ensure that any payments sent to school are in a sealed envelope with their **child's name, class and what the payment is for** clearly printed on the front. We have received a number of payments recently where loose change or cheques with limited information have been sent into school. This has made it very difficult to allocate the correct payments to pupils.
Many thanks, School Office

Class Blogs and Email Addresses

Don't forget that the class Blogs are displaying the childrens' wonderful work and pictures. The children would love parents to view their work and make a comment! Just go to the school website and click on the Blog link. Also, if you wish to receive an online Newsletter please let the office know your email address. If you have recently changed your email address please also contact the office so that your information can be updated. Many thanks.

Positive Parenting Programme

Small changes, big differences

As we all know, kids don't come with an instruction manual, so chances are you're looking for practical help with some common parenting problems. You might be concerned about mayhem at mealtimes, aggression or trouble with homework, teasing etc. or there might not be a problem at all. You might be thinking about how to best support your child as he or she starts school, to set a homework pattern, to encourage healthy eating or set a bedtime routine.

Whatever your parenting need, no matter how simple or complex, Triple P has the information to help you.

This 6 week course is aimed at parents of children aged 4-12 years.
