

LEARNING SPELLINGS

Every week your child will have some spellings to learn. Do encourage him to learn them thoroughly.

At our school, we teach children to learn spellings using the Look, Say, Cover, Write, and Check method.

He should:

Look at the word for a few seconds,

Say the word

Cover it over

Write the whole word down

Check back with the word he is learning to make sure he has spelt it right.

Always encourage your child to use the Look, say, Cover, Write, Check method when spelling a word he doesn't know. Discourage him from copying one letter at a time.
